U.S. PULSE EXPORTS, 1967/68 - 1978/79

This publication contains U.S. pulse exports by-destination data covering marketing years (September/August) 1967/68 through 1978/79. Data for individual pulse classifications are included to increase the usefulness of information. Export classifications were changed January 1, 1978, making U.S. census export data for Austrian winter peas and blackeyed peas (beans) available for the first time. Previously both were included in the "Peas, Other" classification.

Information in this publication should be usefull to those interested in identifying important U.S. markets for various pulse categories.

The source of all data is the U.S. Bureau of the Census, May 1980. Prepared by the Grain and Feed Division, Commodity Programs, FAS, USDA.
